The Day's Play

Twenty Eight players teed off shortly before 9am for the KLOGS Christmas game at a very picturesque Templer Park. Twenty five members and three guests had sampled the pre-round Quality Street chocolates and nips of whisky. The weather was fine with no sign of rain. Play was relatively slow due to another competition having teed off in front of us. The course was in good condition and the greens as ever running very fast, many three putts were had by all. The round was finished just after 2pm. Ten members took advantage of the bus that EL Pres had arranged from the course to the Corkman which was the venue for this year's Christmas lunch.
